Key skills for work include:

Listening, Speaking, Problem solving, Creativity,
Staying positive, Aiming high, Leadership, Teamwork

(The following list can be amended by the employer, depending on the activity)

(1 means I am not confident at all, 4 means I am fully confident)

	1	2	3	4
I know which skills I need to improve				
I can explain how I come up with ideas				
I can use my imagination to complete a task				
I can pay attention to someone talking for 10 minutes				
I can carry out research to help solve a problem				
I can see the pros and cons of different solutions to a problem				
I can change the way I say things depending on the audience				
I can understand how someone uses language to make their point				
I can learn from my mistakes				

In three key words, which skills have you used today?
From today, the skills I will work on will be:
What has inspired you today? (Open text)
What have you learnt about our company today? (Open text)
What didn't we do today that you would have liked to have seen/done? (open text)
